MISSED APPOINTMENT/CANCELLATION POLICY

This office takes appointments to make accessing the Doctors more convenient for you. However, due to the demand for certain time slots, it is imperative that you give the office a 24-hour notice if you cannot make a scheduled appointment. This is in fairness to the office and other patients who would have preferred that time slot.

It is the office policy to charge \$10 for all appointments that are missed or not cancelled within that 24-hour window.

This charge must be paid in full at the time of your next appointment. Insurance will not pay for this charge.

I have read and understand the above policy.
